3. Follow **Persiaran Bestari**, passing **Gem In Mall**, and continue until you reach **King Henry VIII College**, located near **Surau Smk Cyberjaya**.

Traffic Considerations:

- **Peak Hour Congestion:** The **MEX Highway (E20)** is heavily congested during morning (7–9 AM) and evening (5–7 PM) rush hours, especially near **Kuala Lumpur exits**.
- **Temporary Road Closures:** Events in **Putrajaya and Cyberjaya** (e.g., government functions or official visits) sometimes lead to temporary traffic disruptions on **Lebuh Sentosa**.
- **Live Traffic Updates:** Utilise traffic apps (**Google Maps, Waze**) for the latest road conditions and detours.

Alternative Routes:

- From **Kuala Lumpur**, an alternative to **MEX** is **Elite Highway (E6)** → **Putrajaya Link** → **Cyberjaya**, which avoids **MEX congestion**.
- From **Kajang or Bangi**, use **Persiaran Utara** to enter **Putrajaya**, then proceed towards **Cyberjaya via Lebuh Sentosa**.

Nearest Railway Station:

- **Putrajaya & Cyberjaya Station (KLIA Transit)** – taxis and ride-hailing services are available for the short journey to **King Henry VIII College**.

Note: If in any doubt, follow signs towards **Cyberjaya City Centre**, then navigate towards **Persiaran Bestari**.
