Durham Cathedral Schools Foundation

Based in the heart of the historic and inspiring city of Durham, Durham Cathedral School brings together six centuries of experience nurturing its students, providing a complete education for girls and boys aged 3 – 18, and instilling an aspiration for achievement, a respect for others and confidence for life. DCSF values the diverse perspectives and experiences international students bring to the community. The school cultivates an inclusive and supportive global environment and has a specialist EAL team dedicated to supporting learners with language support needs.

What have been the benefits of working with Password?

“It is an easy-to-use system, very straightforward to set up tests and there is rapid access to the results information, all of which means it works well within our existing processes. The Password team are very responsive and support is rapidly received whenever needed. In sum, using Password’s assessments has allowed us to effectively streamline all our testing of international students.”
